

Rainforest

The word "Rainforest" is rendered in a cursive, hand-drawn style using natural brown sticks and twigs. A horizontal branch with several green leaves and small red berries is placed across the middle of the letters, adding a naturalistic touch to the text.

take a walk on the wild side

welcome to

Rainforest

the **roar** of silence

With a breathtaking view of the magnificent Athirapally waterfalls, Rainforest, is a boutique resort tucked away in the dense, verdant forest of the Sholayar range. With a ringside view of the crashing 80 foot waterfall from each of its exclusive rooms, Rainforest is a never before experience in nature holidays. This roaring expanse of cascade greets you as you stare in disbelief at the beauty and magnificence of the Athirapally waterfalls bewitching your senses into silence as you watch, mesmerized.

Here time stands still as Mother Nature enchants with her various moods. As you walk through the seven acres you can't help be struck by the calm and quiet as they surround your senses. The 80 foot waterfall marks its presence by spraying you with a fine mist of water as it cascades nearby.

find **yourself**

in the middle
of nowhere

Rainforest is about the privileges that exclusivity bestows on you. From the six luxury rooms and the elegant celestial rooms to the adventurous tree house and the private cottage. Revel in a one of its kind experience that is unforgettable.

Most of the living spaces bring you a glimpse of the verdant forest and the thundering waterfalls. All this as you enjoy the prompt and thoughtful service and the countless luxuries that make your stay here sheer pleasure.

Dine while listening to the sound of the cascading falls

Foliage, the alfresco Restaurant opens out into the lawns and brings you a panoramic view of the waterfalls. Titillate your taste buds as you try out the local cuisine or the varied menu offered by the cordial and attentive staff. Walk into the adjoining moonlit lawns, listen to the muted, languishing sounds of the falls in the background and re-ignite the embers of a jaded romance. Bring back the magic that once was.

The **celestial** room is fit for the gods and lives up to its name by offering you a heavenly ambience. This spacious and stylishly laid-out suite pampers you with touches like a walk-in wardrobe and a private bar counter.

The Tree house Climb atop the treetop for the ultimate nature adventure. This charming Tree House is spacious, fitted with modern conveniences and overlooks the waterfalls. Can you ask for more? A design marvel, a fusion of nature and architecture, the tree house has been designed by a Swiss architect and has been carefully engineered. The naturally cool tree house is not air conditioned and can accommodate two adults only. Unwind in your natural habitat, and breathe in the fresh forest air as you enjoy the breathtaking beauty of the waterfalls in the background.

cosy Cottages

Each Cottage has two cosy air conditioned rooms with balconies, and a large living space with a spacious balcony. Located away from the main building, the Cottages offer complete privacy and is more suited for large families who wish to enjoy private space away from the rush. The cottages offer only a partial view to the waterfalls. Room service is unavailable for guests residing at the cottage and the maximum occupancy is 5 members, including an extra person.
